

# FAMILY OFFICE

## Legal Expertise for Private Wealth Management

Whether it's a real estate venture with tax implications that could be reduced through corporate restructuring, or a premium investment opportunity in a promising startup with like-minded entrepreneurs, a legal expert partner provides valuable insights, reliable due diligence and the highest level of protection for family offices, wealth managers and their clients. At the law office of **Nemphos Braue**, we treat our relationships with care, looking after clients as if they were family, in order to ensure the devil is taken out of the details.

Our unique formula that blends corporate law know-how with a true affinity for the entrepreneurial spirit, stemming from years of family experience in business ownership, and our support for startups and the innovation community.

### HOW WE SERVE FAMILY OFFICES

- Contract drafting, negotiation, review and management
- Due diligence, corporate governance, and NDAs
- Purchase, sale, lease and rental agreements
- Transactions including transfers, mergers and acquisitions, joint ventures, succession planning and exits
- Intellectual property review, monitoring and licensing
- Entity formation and restructuring
- Oversight of boards of directors meetings
- Day-to-day advising and corporate legal counsel

*We are an extension of our clients, not a taxicab with the meter running.*
